1. The reply filed on September 2, 2004 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

Applicant should file one complete set of claims, including the status identifier after each claim. (It is noted that applicant included a short list of the claims numbers noting their status as original, amended, or new; however these identifiers should be with the actual claims). Also, it is noted that claims 18-20 were previously presented and should not be "new".

See attached sample format for revised amendment practice for the proper format.

See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**

2. Applicant has paid for 20 claims and now 26 claims are pending. Therefore, applicant owes for 6 additional claims, or \$54.
